

The Association Story

The Association For Independent Managers, Inc.™, was created in the mid 1970's by, Jack Winebrenner who incorporated it in January of 1979. It has operated as a “not for profit” organization since.

The association has become trusted over the years because it helps small and home based businesses to succeed by offering education, tools, resources, incorporating services, a helpful Tax Savings Program and much much more.

The association offers practical benefits and it naturally attracts small business and home based business owners, as well as those who want to start one. Today we really are “the big association for the little guy”.

Why Join?

There are several reasons why people join the association. Membership is open to those who work in, manage, or own a small business. In fact, the association can also help you start your own business if. If you do it “by the book”, you are most likely to stay in business.

Is There Insurance?

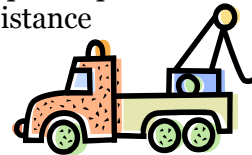

The answer is “Yes”. A number of insurance programs are available. Some membership packages include a Guarantee Issue, HIPAA Compliant, Limited Medical Benefit Plan. It's approved and authorized in most states.

Non insurance benefits, products, services, discounts and savings programs are a huge draw as well, because they can be used daily.

Education, Tools & Resources

The association obtains the best available educational programs, tools & resources, and other helps.

The goal is always to find the best available, best price, best provider, and then bring that program, course, tool or resource, to our members.

Sales Incentives Center

Because anyone with a small or home based business can use incentives to sell things, reward customers, and attract business, the association has added a

“Sales Incentives Center”.

Sales incentives can help you make more sales, attract business, reward customers, sales reps, and people who give you referrals.

To access this great tool, go to www.associationforindependentmanagers.org, find the Sales Incentives Center in the Tools and Resources section.

Registration is free and you can shop around, purchase one at a time, etc.

Association Goes eRadio

The association has added an eRadio show which can be found at www.radioearnetwork.com. The show’s name is “Business Outside The Box” and the purpose of the show is to educate people who work in, manage, or own a small or home based business.

Topics range from helpful benefits, products, or services, to looking at your business through the eyes of someone who’s been successful and found that better mouse trap.

The Association Uses Agents/Brokers

The Association utilizes the services of qualified Agents/Brokers to market membership packages with insurance and non insurance benefits.

Agents who market membership packages that include insurance are licensed in the state in which they sell. They are knowledgeable and a great resource.
